

THE LEGACY OF HEROES IS THE MEMORY OF A GREAT NAME AND THE INHERITANCE OF A GREAT EXAMPLE

HELPING FAMILIES

Over half of those helped by The Royal British Legion are below retirement age, including thousands of Armed Forces families. Life for these families is often stressful, with husbands or wives away on tours of duty.

Extended periods of separation, combined with the worry for loved ones carrying out dangerous work, means everyday life is far from average.

A child's first word or step, that first day at school, a special anniversary or family event - members of the British Armed Forces often miss out on the life-enhancing moments that many of us take for granted. The Legion is there to support all these families, all year round.
