

The FPS (Fundraising Preference Service) and The Royal British Legion

The Legion is committed to empowering our supporters to manage their information.

The FPS enables donors to take control of their charitable giving and conversations; and we want to help you use the service effectively.

If you want to use The FPS to stop or change fundraising communications from The Royal British Legion:

- Read the Fundraising Preference Service's online FAQs at www.fundraisingregulator.org.uk/the-fundraising-preference-service/for-public, then submit their details and preferences on the FPS website at
- www.fundraisingpreference.org.uk – Please use our charity number 219279 to avoid confusion with similar sounding charities. This will include Poppy Lottery, but not Poppy Shop.

Alternatively, to change your preferences directly with The Legion or Poppy Shop:

- Contact the Royal British Legion Supporter Care team on 0333 011 4500, email supportercare@britishlegion.org.uk or write to us at Supporter Care, The Royal British Legion, 199 Borough High Street, London, SE1 1AA
